

Statement of Work (SOW)

Project Title: Development of Custom Healthcare Application

Agreement Date: February 05, 2024

Parties Involved

This Statement of Work (SOW) is entered into by and between:

XYZ IT Services, LLC ("Service Provider"), a company specializing in IT solutions and services, with its principal place of business at 123 Technology Drive, Innovation City, Techstate, 45678.

And

ABC Healthcare Corp. ("Client"), a healthcare company focused on providing high-quality patient care, with its principal place of business at 789 Health Blvd, Caretown, Healthstate, 98765.

Project Overview

The purpose of this SOW is to outline the scope, timeline, deliverables, and terms and conditions under which the Service Provider will develop a custom application for the Client to improve patient care management, streamline healthcare processes, and ensure compliance with healthcare regulations.

Scope of Services

- - Design and development of a custom healthcare application tailored to the Client's specifications.
- - Integration of the application with existing healthcare management systems for seamless data exchange.
- - Implementation of security measures to ensure data protection and compliance with HIPAA and other relevant regulations.
- - Provision of training sessions for the Client's staff on how to use the new application.
- - Ongoing maintenance and support for a period of 12 months after deployment.

Timeline

The project is scheduled to commence on September 1, 2024, and is expected to be completed by February 28, 2025. This timeline includes all phases of the project, from initial design to final deployment and training.

Deliverables

- - A fully functional custom healthcare application, deployed and accessible by the Client.

- - Documentation for the application, including user manuals and system maintenance guides.
- - Training materials and sessions for the Client's staff.
- - A final project report, including a summary of activities, assessment of project outcomes, and recommendations for future enhancements.

Payment Terms

The total cost for the services provided under this SOW is \$150,000. Payment will be made according to the following schedule:

- - 30% (\$45,000) upon project initiation.
- - 40% (\$60,000) upon completion of the development phase.
- - 30% (\$45,000) upon final delivery and acceptance by the Client.

Acceptance Criteria

Acceptance of the final deliverables will be based upon the Client's verification and approval that the application meets the specifications and requirements outlined in this SOW. The Client will have 30 days from the date of final delivery to review, test, and provide feedback or approval.

Confidentiality and Non-Disclosure

Both parties agree to maintain the confidentiality of any proprietary information, data, and materials shared during the course of this project. No information shall be shared with third parties without the express written consent of the other party.
